

UNOS PRIMER - October 9, 2018

THE RADISSON BLU HOTEL, MINNEAPOLIS, MN

Sponsored by the American Foundation for Donation and Transplantation

Presenters

Kristine Browning, RN

Transplant Quality Coordinator, Houston Methodist J.C. Walter Jr., Transplant Center, Houston, TX

Ryan Ehrensberger, PhD, Senior Director

UNOS Research and Business Development, Richmond, VA

Kathy Schwab, RN, CCTC

Transplant Integrity and Compliance, Mayo Clinic, Rochester, MN

Sarah Taranto, Assistant Director

Data Quality and Analytics, UNOS Research Department, Richmond, VA

Session Objectives

UNOS Overview

1. Review the history of transplantation, how organ allocation is structured, and supporting regulations.
2. Discuss resources available and services offered to members by UNOS, including staying connected and informed.

Organ Donation and Transplantation

Acronyms and Definitions

1. Review and discuss common definitions used related to the United Network for Organ Sharing (UNOS).
2. Review acronyms related to the United Network for Organ Sharing (UNOS) for data collection and day to day transplant work.
3. Discuss how the definitions and acronyms noted in the presentation impact the day to day work of the transplant professional.

Policy Development: From Start to Finish

1. Describe the process and resources the OPTN uses to develop policy.

Introduction to OPTN Data

1. Describe and review what OPTN data are required, the impact of policy upon this collection, and the 'why' behind their collection.
2. Discuss management of the TIEDI system related to the latest influences from policy changes, explain how TIEDI forms update, and describe how TIEDI reports are generated.

Interactive Data

1. Identify use of tools on the Data Services Portal to better manage data quality and compliance with OPTN and CMS form submission requirements.
2. Discuss how the Data Services Portal sections can be used effectively.
3. Discuss how to use the multiple tools now available to transplant centers and OPOs to review organ offers and outcomes of organs refused.

Tools of the Trade

1. Locate the most frequently accessed member resources on the OPTN, UNOS, and Transplant Pro websites.
2. Discuss how to access and utilize UNOS Connect, your connection to UNOS' professional education.

UNOS and SRTR

1. Identify how SRTR supports the transplant community with analyses in an effort to better patient results and experience.
2. Discuss the relationship between the SRTR and UNOS and how UNet data are used.

Tuesday, October 9, 2018
